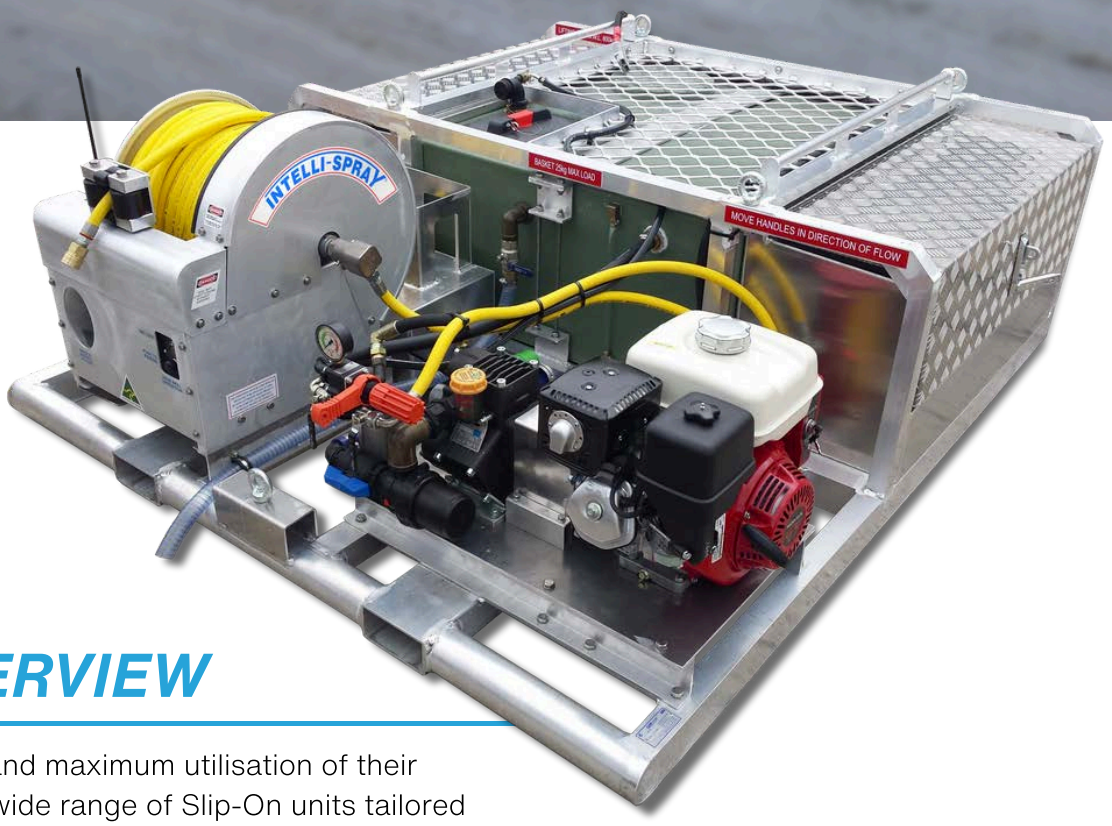
# QA2000 / QA1800 / QA1600 MODULAR FIREFIGHTING UNITS - QUIK ATTACK



## PRODUCT OVERVIEW

For those seeking versatility and maximum utilisation of their vehicle, Intelli-Spray offers a wide range of Slip-On units tailored to your needs. As a prominent supplier of Slip-On fire units, Intelli-Spray has thousands in operation across the field, used by agencies, government departments, councils, and mines.

This broad experience across diverse environments ensures that what we design and deliver for you will meet high standards.

Our Slip-Ons are available in various sizes, tank capacities, pumping systems, hose reels, and storage options to suit your requirements.
